ABOUT ME

My Name is Debasish Bisoi a Passionate CSE undergrad deeply invested in web development, eagerly learning new coding skills. Fueled by a strong enthusiasm for technology, I am dedicated to mastering the intricacies of web development. Currently immersed in learning both frontend and backend, I embrace challenges as opportunities for growth. Aspiring to create dynamic and user-friendly websites, I am committed to staying abreast of the latest industry trends. With a blend of theoretical knowledge and hands-on experience. Enthusiastic about contributing to the open-source community, their goal is to leverage their evolving coding skills for collaborative projects.
